## Important Customer Notice: Start of 2019 Irrigation Season

Dear Agricultural Water Customers:

This notice is being provided to Solano Irrigation District (District) Agricultural Water Users to inform you of the Board's decision to start the 2019 irrigation season on April 5, 2019.

On Tuesday, March 19, 2019 the District's Board of Directors approved the start of the 2019 irrigation season for April 5, 2019. The Board also approved the 2019 water budget and an allocation of 4.0 acre-feet per acre for the 2019 season.

The District will be ready to make deliveries by Friday, April 5. If you haven't already done so, please be sure to get your 2019 crop declaration forms in as soon as possible so there are no delays in processing your water orders.

Attached to this notice, is the 2019 Watertender Division Assignment and contact information. If you would like to place a water order please contact the appropriate Watertender as shown.

Should you have any questions or need information regarding the start of the 2019 irrigation season, please contact SID Ag. Operations Supervisor, Stuart Chaney. Mr. Chaney can be reached by telephone at (707) 455-4031 or by email at [schaney@sidwater.org](mailto:schaney@sidwater.org).

Sincerely,

*Solano Irrigation District*

James Daniels  
Water & Power Operations Manager
