

Solano Irrigation District

ACH-Autopay – NOW AVAILABLE

Set up recurring payments and never worry about missing a payment again.

What is ACH-Autopay? How do I enroll?

ACH-Autopay is a recurring payment feature, allowing bills to be paid automatically on the last business day of the month the bill is received.

You may set a maximum limit on the amount to be paid or pay the full amount due.

Bills will continue to arrive in the mail, and if the bill exceeds your ACH-Autopay maximum limit, the bill will show the additional balance due.

To enroll, please complete the form on the back and mail it to us.
