

FREE ONE DAY PROJECT WET WORKSHOP

SOLANO TO THE SEA

connecting K-12 students to their watershed resources

Saturday, February 22, 2020 | 8am to 3:30pm

Dunnell Nature Park & Education Center, Fairfield, CA

What is Project WET?

- Project WET works to empower community action to resolve complex water issues worldwide.
- Project WET's hands-on curriculum is designed for K-12 classrooms.

Who Should Participate?

- Solano County Teachers
- S.T.E.A.M./S.T.E.M. Coordinators
- Learning Academy Teams
- Grade Level or Department Teams
- Curriculum Coaches
- Department Chairs
- School Administrators

Why Attend?

- Learn how to integrate the study of land-based watershed challenges to ocean and coastal impacts in the classroom.
- Engage students with local citizen science and stewardship opportunities.
- Water resource education materials are STEM friendly and support California Common Core and NGSS.
- Includes a free lunch and prizes!

How to Participate:

- Register online at solanorcd.org under Projects & Programs > Education
- Contact Solano RCD at 707.678.1655 or education@solanorcd.org

Funding for the Solano County School Water Education Program and Project WET is provided by the cities of Vacaville, Fairfield, Suisun City, Vallejo, Benicia, Fairfield-Suisun Sewer District and Solano Irrigation District
