IMPORTANT CUSTOMER NOTICE

End of 2022 Irrigation Season

Dear Agricultural Water Customers:

This notice is being provided to Solano Irrigation District (District) Agricultural Water Users to inform you of the Board's decision to end the 2022 irrigation season on October 19, 2022.

Please note, all irrigation events will need to conclude by 5:30pm on **October 19, 2022**, unless otherwise arranged in advance. Based on current usage the District is anticipating using our full allocation for this 2022 irrigation season.

We truly hope the 2022 irrigation season has been favorable and that our service met your expectations. Providing excellent service is a top priority for the District and we are committed to implementing initiatives to achieve that goal. In addition, if there are ways we can improve our service to you, please share your thoughts with us.

Should you have any questions or need information regarding the end of the 2022 irrigation season, please contact Ag. Operations Supervisor, Stuart Chaney. Mr. Chaney can be reached by telephone at (707) 455-4031 or by email at schaney@sidwater.org.

Thank you for the opportunity to provide for your agricultural irrigation needs.

Sincerely,

Solano Irrigation District

Matthew Hobbs
Water & Power Operations Manager
